PREPARATION AND COOKING

1. Remove bag from pouch and place on bag into a 6 to 8 fluid ounce cup. 2. Add boiling water. Let sit for 60 seconds. For microwave use, add cold water to cup with bag and microwave on high for 1 1/2 to 2 1/2 minutes (almost boiling).* *Microwave times vary, times are approximate. 3. Dunk bag up and down for 15 seconds.

SERVING SUGGESTIONS

For a stronger, more robust flavor, dunk the bag longer.

PACKAGING AND STORAGE

Store in a cool, dry place.
