PREPARATION AND COOKING

Serve a delicious tasting glass of iced tea by following these brewing instructions: 1. Carefully open outer wrap at tear notch. 2. Remove tea filter pack from outer wrap. 3. Place filter pack flat into the gourmet tea brew basket with the seam side down. 4. Follow directions for your tea brewer to brew three gallons of iced tea. 5. Do not hold more than 8 hours. For best tea flavor, brew immediately after opening outer wrap.

SERVING SUGGESTIONS

Brew a cup of this truly unique and refreshing tea.
